A total of 17 states have joined the IMLC. To date, no commissioners for New Hampshire have been appointed. Pennsylvania is waiting for Senate approval and Michigan’s legislation remains in committee.

**Chairperson’s Report:**
Chairman Marquand (MT) presented the following:

1) While speaking at the Crime Prevention and Privacy Compact Council’s Planning and Outreach committee meeting in Greensboro, North Carolina, Chairman Marquand (MT) did not receive the support we were hoping for regarding the FBI notifications received in Montana, Nevada and Minnesota.

**CSG Report:**
Chairman Marquand (MT) requested the report from CSG be moved to this part of the agenda for further discussion of the FBI issue. There were no objections and Rick Masters took the microphone for his report.

Mr. Masters addressed the six criteria included in Public Law 92-544 and as approved by the FBI and the US Department of Justice to address the mandatory elements of a state statute enacted under the auspices of Public Law 92-544. All criteria were reviewed with the Commission and statutory fulfillment cited by enactment of the IMLC in each member state.

A motion was made by Commissioner Steinagel (UT) and seconded by Commissioner Goetter (AL) to empower the Executive Committee to work on a solution to this interpretation issue, but in the meantime, request the Council of State Governments to work on negotiating with the parties involved. The motion was approved unanimously by voice vote.

4) Chairman Marquand (MT) reminded the Commission that an Annual Report is due for 2016. The Commission received a request for the 2015 Annual Report which Chairman Marquand (MT) provided. However, the 2016 Annual Report should contain a financial audit and has been referred to the Executive Committee for completion.

5) As this October meeting is the Commission's Annual Meeting, Chairman Marquand (MT) presented a new listing of committee appointments.

6) The Chair announced that he will not be seeking re-election as Chair of the IMLCC for 2017.
