Subject: IMLC Website

Hi,

Here are my thoughts on possible reorganization of the web site. I think six or seven tabs would work. The names, in no particular order, are not great but should give you an idea of my thoughts:

Home

Information for Applicants

Information for Licensees

Commission

About

News

FAQ (?)

Home: I like having the map on the home page and think this should stay.

Information for Applicants:

Do I qualify

What is the application process

What is the cost

Apply Now

Support Contacts

Information for Licensees:

What is the process to add more states

Renewal Instructions

What does it cost

SPL Redesignation

Support Contacts

Commission:

Roster

Rulemaking

Meetings

Laws, Bylaws, Rules Policies and Advisory Opinions

About:

Facts

Myths (could facts and myths be combined?)

Glossary

Support Contacts

Statistical Reports

News:

Press Releases, etc.

FAQ:

Thank you again for all your work on this. Enjoy your vacation.
