IMLCC FY2020 budget
Treasurer Cousineau and Executive Director Smith
Proposed amendments to the approved FY2020 budget, along with a copy of the approved FY2020 budget and a budget activity report were provided to the commissioners prior to the meeting. The proposed amendments primarily reflect the approval of a grant from the U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA Grant) administered by the Federation of State Medical Boards (FSMB). The commission is a beneficiary of the grant and is allowed to seek reimbursement for authorized expenditures. The proposed budget amendments would move $190,000.00 in expenses
from the IMLCC Operating Budget to a newly created HRSA Budget item and would create expenditures in the amount of $55,000.00. Additional budget amendments were requested to increase the expenses for creating an IMLCC office and hiring a new staff member. Treasurer Cousineau and Executive Director Smith then led a discussion on the overall budget and answered questions. After discussion, it was determined that the four action items should be combined into a single motion.
